GO METRORAIL

IMPORTANT INFORMATION

BRIEF WATER OUTAGE ON SATURDAY, APRIL 9

Beginning on Saturday, April 9, an interruption in water service will be necessary to allow for additional utility work at the intersection of North Main and Brooks. The outage will affect businesses and residences in the area for approximately 5 hours, between 8:00 a.m. and 1:00 p.m.

Please note that the dates, times and durations of utility outages are approximate and subject to change. For the latest updates on construction-related activities in your area, please visit us at gometrorail.org.

Special requirements?

If you have special requirements relating to utility work or a planned utility outage, please notify the Community Outreach Office nearest you. METRO will do everything possible to help lessen the impact of the next planned service interruption in your area.
