**Capitol between Smith and Bagby:** Two north-side lanes will be closed to traffic Tuesday through Friday. During peak hours, only one lane will be closed.

Work hours are generally from 7:00 a.m. to 6:00 p.m.

No on-street parking will be allowed while lane closures are in effect. Please note that all parking meters in the area will be bagged. However, access to businesses and garages will be maintained at all times for customers, employees and emergency personnel.

Please note that dates and times relating to the above lane closures are approximate and subject to change.

Construction has begun on Houston's new METRORail lines—including one right here in your community. METRO has contracted with Houston Rapid Transit (HRT), a joint venture, to handle all aspects of construction.

We place the highest priority on keeping you informed about construction events. To minimize the disruption of daily life and commerce, we're doing construction in carefully planned phases to keep traffic flowing.
